Mark.

I'm always glad I know you for you're such a good kid to get along with. You were tough on the basketball court and had a nice shot but you were tougher in school. Good luck playing basketball at Kent State and if you're not there high score I'll be surprised.

 went down to the sand dumps at night last summer, but
 there are more, some to hard to believe. Remember all the
 cramps times circled around basketball and wish you good luck at
 your athletic endeavors at Kent. I won't forget all the good times on me.
 Good Steve (the one time

This is a typical scene in our classrooms at Farrell High School. We students are very fortunate that our teachers are always willing to help us with our problems whether before, during, or after school. The teacher is not only a person with whom we meet each day in the classroom and who teaches us a particular subject, but someone who we

can look to for friendship, for encouragement, and for development of our minds and special abilities. They are able to recognize these special abilities and, therefore, encourage us to develop our particular skills and to be a well-rounded individual. We thank the teachers now for all their encouragement and time given to us.

In Memoriam

Miss Mary Stepanchak

Build thee more stately mansion, O my soul,
As the swift seasons roll!
Leave thy low-vaulted past!
Let each new temple, nobler than the last,
Shut thee from heaven with a dome more vast,
Till thou at length art free,
Leaving thine outgrown shell by life's unresting
sea!

Judith Miller received a Letter of Commendation for performance in the National Merit Scholarship Qualifying Examination given in March, 1966. The National Merit Scholarship Program is a nationwide search for high school students who demonstrate unusual promise of intellectual achievement and to encourage these students to attend college by awarding scholarships to as many of them as possible. NMSC has also developed a number of special services designed to encourage able students and increase their opportunities to enter college. Its aim is to discover the nation's talented people and help them prepare their future development of business, industry, government and profession to be a better citizen. Over half a million people compete in 14,500 schools for more than four million dollars worth of scholarships. Scholarships are granted on the basis of intellectual merit, but student financial needs determine the student's award.

The Merit Scholarship Organization has sighted Judith Miller with this Letter of Commendation, which rates her in the top ten students in the state of Pennsylvania and the nation. We are proud to have one of our fellow students receive this letter.

What is the value of time gone by? Words of wisdom dictate that the past is gone and never will return. But what about the past for 218 graduating seniors in the class of 1967? Are those years gone forever? No, they are not gone. There is too much life incorporated in those years that it can never die. The past will live with them for the rest of their lives showing itself in every thought, word and deed of every day.

Although we live only in the present, people know us only from the past: things we have done and words we have said. But we must remember that now is the time for each individual to know himself. We can only accomplish this by recognizing the knowledge accumulated in the halls of those buildings so familiar to our memory. How many times we scorned those structures for the toil and trouble they caused our growing minds. Why is it that we do not scorn them now? Instead we look back with an anxious and sometimes pleading look. Fellow seniors, do not waste your precious time looking back upon those stones. They have already made their lasting mark and stand only to be polished and displayed through you.

Looking back is a privilege possessed

by the memory alone. It cannot return but it can recall the enchantment of youth. Let us thank God for the power to spiritually relive the vivacious and exciting high school years that have meant so much. Using this power, we can reflect special images of our happiness; a brightly lit football field bubbling with color and excitement, the dim delight of high school dances where the latest crazes let loose, the basketball festivities highlighted by a winning team, then, in the calm of spring, the sweetness of music poured forth from the band and choral festivals, and delightful plays blossoming from the heart of winter drama. These, my fellow seniors, are the reveries that fill our day dreams. But what now? The empty gridiron stands knee-deep in snow, the playing floor bears only the weight of empty popcorn wrappers, and a dusty stage, where we once walked, sits in waiting for a new group of actors to come its way. This past is gone, and yet we must not let this part of it hinder the growth of what it has made each one of us. Do not allow that past to perish. Take it with you to the four corners of the earth and cherish it, fulfill it in this new world, this bright new world ahead!

Season Resume

This year's Farrell High Night Rider football team charged onto the gridiron full of determination and with a keen desire for victory. Under the capable coaching staff headed by Mr. William Gargano, the spirited team compiled a successful season's record of 6 wins, 3 losses, and 1 tie.

The initial game of the season pitted Farrell against the Hubbard High Eagles on the Eagle field. We proved too much for the Eagles turning them back easily by a score of 28-6.

Our first home game of the season, against a stubborn Aliquippa Indian eleven, was won by a score of 21-0. The Farrell defensive unit was outstanding as they checked the Indians throughout the contest.

The Butler Golden Tornado was our next opponent. "Defense is the name of the game" and defense dominated throughout the game. Butler capitalized on two Farrell errors, giving us our first loss by a score of 13-7.

With rain pouring down and a field of

mud, we met the Greenville High Trojans. The first half was fairly equal, but the Trojans dominated the second half, scoring two touchdowns. We suffered our second defeat of the season to the tune of 13-0.

The undespairing Night Riders then trekked to Ellwood City for a game with the Wolverines. With a strong defense and two touchdowns by McKinnis, we were on the road to victory. The final score was 14-0.

Our next two games were away games with New Castle and Beaver Falls. We led most of the game by a score of 7-0. With 1:01 remaining to play, Payne caught a Klamer punt and returned it for an 80 yard touchdown. Confusion reigned as penalty flags dropped. However, the touchdown counted and the game ended in a tie, 7-7.

The Beaver Falls game was exciting and both teams played extremely well. Adrian Capitol sparked the team to victory with touchdown runs of 76 yards and 62

yards. The 62 yard run came with 1:08 left to play, and gave us the victory, 26-20.

Our determined team, out to revenge last year's defeat, faced Hopewell at our stadium. We completely dominated the game, scoring the second highest point output in Farrell High history. We chalked up another victory, 52-19.

Our final home game of the season matched us with the Ambridge High Bridgers. Hugh McKinnis played the finest game of his career, scoring 4 touchdowns and an extra point. The game was played in cold temperatures with Farrell "putting the game on ice" with a score of 26-6.

The final game of the season, as always, was with our backyard rivals, the Sharon High Tigers. This was one of the finest games ever played between the two schools, with over 7,000 fans crowding Sharon stadium. Both teams hit hard and gave it everything they had. We drew first blood and carried a 6-0 lead into the dressing room at half time. Sharon bounced back

with a sparkling second half and scored two touchdowns. The final whistle blew and Sharon completed a perfect 10-0 season by defeating Farrell, 13-6. The game was hard fought and cleanly played.

Thus the curtain came down on the season with a 6-3-1 record to be added to the books. To next year's Farrell Night Rider team we wish the best of luck for a successful season.

Season Highlights

Adrian Capitol-State Champion-100 yard dash

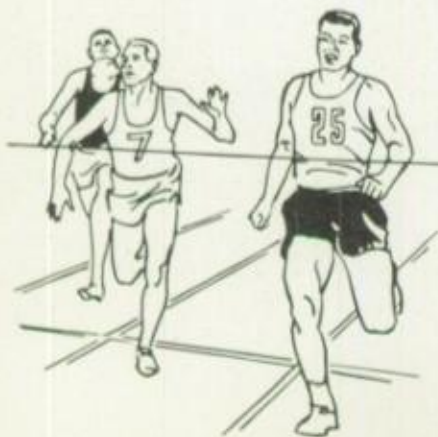

The track season of 1966, under Coach Russ Phillips, has been one of the best in the history of the school. Not only did they have a successful dual and triangular meet record of 6-1, but they qualified 10 boys for the W.P.I.A.L. finals and 5 boys for the P.I.A.A. state finals at Penn State University.

Some of the outstanding boys and their events were: Adrian Capitol, who placed second in the W.P.I.A.L. finals in both the 100 and 220 yard dashes, first in the state meet in the 100 yard dash and second in the 220; Terry Williams who ran a brilliant anchor leg on the 880 yard relay team and placed 4th in the 100 yard dash in the W.P.I.A.L. finals; the entire 880 yard relay team of Capitol, Williams, McKinnis, and Harlee Campbell; and McKinnis who ran the 180 yard low hurdles in 19.5 seconds, an excellent time. The broad jumper duo of Charles Craig and Leander Flint was outstanding, along with the mile relay team of Harlee Campbell, Charles Drabick, Louis Hosey, and James Black.

Basketball 66-67

The Farrell High Steeler under Head Coach Edward McCluskey opened the 1966-1967 campaign at home on December 2nd, facing an invading Altoona Mountain Lion quintet. The game was close with Farrell winning 32-24 at halftime. The final score was 69-64, Farrell on top. Keith Klammer paced the Steelers with 19 points.

Our second game was played at home with Pittsburgh Allegheny. Maintaining an advantage throughout the contest, we won 55-48. Bill Chapman led the attack with 15 point and Brysh and Klammer adding 10 points apiece.

With a winning streak of two straight games, we faced the 1966 State Champion, the Pittsburgh Schenley quintet. The game was hard fought, the Steelers valiantly trying to overcome Schenley. The final score was Schenley 73, Farrell 66. Mark Brysh notched 25 points in the fray.

The undespairing Steelers then traveled to Johnstown for a game with Bishop McCort. Bishop McCort fell before the fierce Farrell attack and was defeated by a score of 83-71. Brysh and Klammer combined for 42 points, each getting 21.

For our next game we trekked across the state line to Ohio to meet the Canton McKinley Bulldogs. McKinley, out to avenge

last year's loss to the Steelers, won by score of 72-54. Klammer and Art Chambers had 15 and 12 point respectively.

This marked the end of exhibition play. Our exhibition record was 3-2 with Section 3A action to begin on December 20th.

The defending Section 3A champs opened play by hosting the Red Hurricanes of New Castle. The game was nip and tuck. The score at the end of the third quarter action was 44-43, Farrell on top. Fourth quarter action was fast and furious with New Castle pulling it out of the fire, 66-59.

The Ambridge High Bridgers, labeled the "team to beat", was our next opponent. The contest was played on the Ambridge floor with Ambridge winning 83-66. Klammer and Dave Johnson scored 16 and 15 points respectively.

We then entered tournament play in the always exciting Lions's Club Tournament. The defending champion, Warren Harding High; Clairton; Champion; and Farrell were to participate. On the first night of the tournament, Farrell routed Clairton, 64-54, while Warren lost to Champion. Warren Harding won consolation honors by defeating Clairton. In the championship contest, Farrell edged Champ-

ion 53-51 to regain the tournament crown. Dave Johnson, who was selected the most valuable player, tallied 13 markers while Brysh tallied 12.

Section 3A play resumed with Farrell hosting the Ellwood City Wolverines. The first three quarters were played on near-even terms. Farrell's barrage in the final quarter proved too much for Ellwood City who went down to defeat, 76-56. Senior Mark Brysh paced the Steeler attack with 23 points while Klammer and Chapman chipped in 16 points each.

For the first meeting of the year, Butler's Golden Tornadoes hosted the Steelers. At the end of regulation play the score was tied 63-63. In overtime, Butler prevailed to win 75-70. Klammer scored 22 points to lead the Steeler.

We then faced the Aliquippa High Indians, whom we defeated for the title last year, on our home court. The game was close, the score at the end of the third quarter found Aliquippa ahead by two, 45-43. Aliquippa maintained the advantage to defeat the Steelers 69-60. Mark Brysh had a good night scoring 30 points to pace the Steeler offense.

The lair of the Tigers of Beaver Falls was the site of our next game. The Tigers were turned into kittens as we posted a 67-55 decision for our third section win. Johnson led the attack with 21 points. Brysh and Klammer contributed 15 and 14 points apiece.

The fired-up Steelers were ready for our next game with our backyard rivals, the Sharon Tigers. After leading most of the game we lost by a single point when, with four seconds left to play, Terry Greene drove the baseline and sank a layup. The final score was Sharon 60, Farrell 59.

The Uniontown Red Raiders, who defeated us in the semi-finals a year ago, were our next victims. Out to avenge last year's loss, we scored 32 points to their 26 in the second half to win 61-48. Brysh was high scorer for Farrell with 17 points, Johnson and Klammer adding 15 each.

Our next contest was the second game with New Castle. Losing 32-21 at the end of the third quarter, the Steelers battled back

but dropped a 47-42 decision. Johnson scored 10 points to pace the Steelers.

Powerful Ambridge, undefeated in section play, invaded the Farrell court. Playing slow-down ball, the Steelers were behind by only one point at the end of the first quarter, 5-4. Ambridge couldn't miss and the game was decided in Ambridge's favor, 61-32. Brysh had 13 points for the Steelers.

Ellwood City was the scene of our next encounter. Leading all the way, the Steelers swept both games with the Wolverines, winning 73-61. Klammer with 22 and Brysh with 21 led the Steelers.

The Golden Tornadoes of Butler blew into Farrell for the second meeting of the year between the two clubs. Farrell grabbed the advantage in the opening minutes of the game and stayed in front the remainder of the contest. We avenged an earlier loss to the Tornadoes by beating them 65-60. Johnson led all scores with 22 points.

The Steelers then trekked to Aliquippa, Pa., for the second game with the Quips. We outgunned the Quips from the field, 30-27, but were unable to match them from the foul line. The final score was 81-71 in favor of the Quips. Dave Johnson played his finest game of the season rippling the nets for 30 points.

The final home game of the season was played against the Beaver Falls Tigers. Coach McCluskey started a club of underclassmen who turned in a sterling performance, defeating Beaver Falls, 68-52. Johnson with 15, Lee with 14, Kucik with 13, and Chapman with 11 paced the Steelers.

The final game of the season was to be played at the den of the Sharon Tigers. The action was close with the Steelers leading at halftime by a score of 25-23. Sharon bounced back in the third quarter and held a 38-33 lead heading into the final eight minutes of action. The Steelers fought back stubbornly and on fouls by Chapman and Kucik put the game on ice, 49-42. Art Chambers made his final appearance in a Farrell uniform a memorable one as he poured through 15 points and was a demon on the boards. This year Farrell and Sharon fans were treated to two of the finest games ever played in the rivalry between the two schools.

The musical flowering of the 1966-1967 school year is taken over by Mr. Samuel Campagna and his chorus. This year the gala Christmas Pageant opens the season presenting traditional melodies of the holiday along with the new tones of "Amahl and the Night Visitors," all leading to the grand finale of the "Hallelujah Chorus." The choir intends to further participate in holiday festivities by performing at the Shenango Valley Christmas Sing at Buhl Park.

With the blooming of spring, the chorus once again bursts with song at the annual choir trip, beginning at Grove City.

Highlighting the year is the spectacular spring concert which brings forth the well-developed choir at its best. This year's group chants a bit of the sacred, harmonizes the mellow folk tune of "Black is the Color of My True Love's Hair," which projects the classical Bourree and gives full voice to the mad Broadway show, The Fantasticks.

Closing the yearly program, the choir solemnly honors the seniors at the Baccalaureate service.

The Future Nurses Program

This year is the second annual year for the Future Nurses Program. It includes students from all of the Shenango Valley high schools and is under the direction of Mrs. Marion Shatto, director of the volunteers at Sharon General Hospital. The girls who are in the Farrell High School Future Nurses Club are directed by Mrs. Margaret Carrozzi. They volunteer for a 25 hour training program at Sharon General Hospital and after completion of this course they sign up to work four hours a week in the hospital.

They help out by feeding patients, making beds or passing out pitchers of water. They also do other things such as keeping records, running errands and generally making themselves useful.

In the remote foreign country of Concordia, Juliet Moulsworth (daughter of American ambassador Hooper Moulsworth) finds herself in love with Igor Romanoff (son of Russian ambassador Vadim Romanoff). Freddie (Juliet's boyfriend back home) comes to Concordia to try to persuade Juliet to forget Romanoff and marry him. The parents of both Juliet and Romanoff are greatly disturbed over the love affair of Juliet and Romanoff. The consequences that follow make "Romanoff and Juliet" one of the most enjoyable plays to ever grace the stage of F.H.S.

The Cast.

Farrell High School Thespians captured first place in district competition sponsored by the Pennsylvania High School Speech League, in Pittsburgh. The valley delegation competed against students from seven other schools in the five-county district. The tourney was held in Pittsburgh's Central Catholic High School.

The victory, in District 2, qualified the Farrell group for regional competition January 14, at Grove City College. We qualified to go on to state final competition at Penn State on March 18.

The students, under the direction of Joseph Scarvell, head of the high school drama department, presented one act from the play "Tevya and His Daughters."

He's a man now!

Riverboat Romance

The twilight was dim, with the evening came its natural silence. A lone riverboat rocked in the docks of the Farrell High gymnasium. Suddenly, at precisely 8:00 pm. that Friday night, all stillness was broken and a burst of starlight illuminated the imaginary harbor. The 1966 Junior-Senior Prom had begun. The stationary riverboat sounded its whistle and churned its paddle to the misty music of Joe Cantelupe's band. All around, dreamy-eyed couples graced the floor, reflecting the blue and white hue of sea and sky.

Soon the hush of evening was generated to blush excitement. The sounds of the fabulous Fantastics set each young heart beating in the atmosphere of a formal discotheque. Not even the teachers could resist taking part in the splendor of the Riverboat Romance. And then again, all dreams must end. In less than ten wonderful hours later, just a lone riverboat rocked in the silent docks of the Farrell High gymnasium. But it need not be alone, for it has the memories of a once glamorous cruise and a crowd of lively passengers who cannot wait to ride again.

Cultural Enrichment Programs

Our first program, "Mind in Action", featured Mr. William Wallace who gave a fantastic demonstration of memory and concentration, a believe it or not Ripley. Jean Kawanui, a deep sea diver, gave a lecture and slides of oceanography for our second program. The third program featured Kobelle, the magician, who was very mystifying with his levitation and live animals. The fourth program featured N.B. Flesner who demonstrated how it is fun to read selected sources with the wonderful world of words. Bobby Green, an inspirational speaker, recording artist from poverty, heartbreak and tragedy to stardom featured our fifth program. Our sixth program, featured Solom Risk, America is more than a country--autobiography of a Syrian Yankee. Our seventh program featured David Green who sang and played favorite popular music on his organ. Our last program featured Shanin's African Safari, Land of contrasts, a movie and narration by the photographer.

The custom in Spain is to hang the piñata in the main room of the house before Christmas. On Christmas Day, the children are blindfolded and each gets a chance to break the pinata with a long stick. When it is broken, the toys and candy fall to the floor for the children to divide among themselves.

We, the Reflector Staff, would like to express our appreciation to Mr. Spano for his fine photography work.

Our pinata, made by the members of the Spanish Club, was sent to the children's ward at the Shenango Valley Osteopathic Hospital. On Christmas, it was broken and the candy was given to the children in the ward.

Each year the Key Club erects a Christmas tree to enliven the Christmas spirit in the school. This year the tree was decorated by Bob Donatelli, Jerry Sarazen, Keith Klammer, Keith Laslow, Joe Sabulsky, Pete Backo, Anthony Kurcon, and Dick Rubano. Through the cooperation of the Curriculum Department under the Elementary Secondary Education Act, Title I., we were privileged to attend a number of assembly programs, which have given us cultural enrichment.
